### FOOD ALLERGIES AND INTOLERANCES

If you have a food allergy or food intolerance, please speak to a member of our team, who are fully trained in allergy awareness, before you order your food and drinks. Please refer to the end of the menu where the allergens are listed numerically and presented in the format under each item. While our gluten free dishes are prepared separately, they are not prepared in a totally gluten free environment.

#### ALLERGEN INDEX

|                    |                                 |                           |
|--------------------|---------------------------------|---------------------------|
